2. Aggressions against journalists in Mexico, 2010-2020, PG 68

Mexico ratified the ICCPR in 1981.

In 2020, six journalists in Mexico were murdered for their work, while 24 are missing. ARTICLE 19 recorded 692 attacks against journalists and media outlets. This represents 13.62% more than in 2019, meaning that attacks against media and journalists continue to grow.
